

You Have Your PhD, Now What?

Leveraging Your Graduate Education in Job Seeking

Hosted by The BALSAs Group and ACS Younger Chemist Committee

Guest Speakers:
Michelle Repice, PhD & Thi Nguyen, PhD

Time: 5:30-7 PM on Thursday, November 16

Location: Cori Auditorium, WashU Medical Campus

Michelle Repice and Thi Nguyen from GradCareers will lead an interactive session on best practices in presenting graduate experience (lab research and extracurricular activities) when seeking and applying for jobs. Some ways to improve resume in academic and non-academic job seeking will be highlighted.

Please bring your resume

Food and beverages will be provided
