

# Spring 2017 | Graduate and Postdoctoral Scholars'

## Career Development Opportunities & Services

### **Individual Career Planning and Job Search Coaching**

Those enrolled in masters, doctoral degree programs and postdoctoral appointments are welcome to meet with a career advisor. Appointments are available on both the Danforth and Medical School campuses.

Services provided include:

- One-on-one planning for careers in academia & industry
- CV, resume, cover letter & application development
- Networking and interview training
- Job offer negotiation coaching

For appointments on either the Danforth or Medical Campus call **314-935-5930**.

### **Search Acceleration Team**

#### **Ongoing on the Danforth Campus**

Finding a position - both in and outside of the academy - requires significant commitment and effort. Managing your search in an effective and well-organized way will result in a much shorter job quest with richer results. To speed up your search and increase the value of your outcome, the Career Center hosts a Search Acceleration Team specifically for graduate students and postdoctoral appointees.

The team meets on the Danforth Campus on Wednesdays from 4:30 to 6:00 p.m. If you are within six months of hoping to land a position, you are a candidate for the Search Acceleration Team. For more information and/or to join the team, contact Dr. Arlene Taich at [ataich@wustl.edu](mailto:ataich@wustl.edu) or **314-935-6553** or Carol Moakley at [cmoakley@wustl.edu](mailto:cmoakley@wustl.edu) or **314.935-5930**.
